NPIC/TSSG/RED-020-70
14 January 1970

MEMORANDUM FOR: Chief, Technical Services & Support Group, NPIC

ATTENTION : Chief, Security Branch

SUBJECT : Request for SECRET Clearance - [REDACTED]

25X1

25X1

2. As principal investigator on the Optical Sciences contract [REDACTED] with the [REDACTED] has made valuable contributions in a variety of technical areas. However his participation in depth is limited by the amount of background information that can be made available. A clearance at the SECRET level would overcome this problem.

3. [REDACTED] held an Agency SECRET clearance until his departure from Technical Operation, Inc. in 1968.
